NORTHEAST AND NORTHWEST- 22 - 31 October; 2021

# 2,717 violations of truce

committed by the Regime and its Russian ally

After the Turkey and Russia reached a **ceasefire agreement** in Idlib governorate on March 5, 2020, the Syrian regime and its Russian ally did not bomb northwest Syria with warplanes. However, the **regime continued to bomb** these cities and towns **with heavy artillery and rockets** from ground launchers. On June 2, 2020, **Russian warplanes resumed bombing** cities and towns in northwest Syria, and the regime continued to bombard them with heavy artillery and rockets from ground launchers. Through its network of enumerators, **ACU worked on documenting the regime's breach of the ceasefire**. As of the date of preparing this report, the Syrian regime and its Russian ally have violated the ceasefire **2,717 times**.

Violations of the truce committed by the Regime last year

After the ceasefire came into effect, **Turkish and Russian forces began conducting joint military patrols** on the contact lines between the regime forces and the opposition forces, as these patrols run along the M4 international road. These joint forces aim to monitor the implementation of the ceasefire and de-escalation on the contact lines. However, **Russian forces stopped participating in these patrols** in mid-September 2020.

In the central region of Idlib governorate, on October 23, 2021, Russian warplanes bombed the towns of Kansafra and al-Bara with several air raids. Also, regime forces bombed a camp near the town of Ma'arret Misrin with a long-range missile, injuring a girl. In the western countryside of Aleppo, regime forces bombed the town of Darat Izza with heavy artillery, injuring a woman and her child. On October 24, 2021, regime forces bombed the vicinity of the Turkish observation point in the Kansafra town with heavy artillery. In the western countryside of Idlib, Russian warplanes bombed the vicinity of Jisr al-Shughur city with 3 air raids, targeting the sugar factory. In the northern countryside of Idlib, on October 27, 2021, Russian warplanes bombed the outskirts of the towns of Salwa and Qah with an air raid. Also, regime forces bombed the town of Termanin with heavy artillery, targeting an IDPs camp nearby, killing a child and injuring 7 civilians.

## Northeast Syria

In the northern countryside of al-Hasaka, on October 30, 2021, the International Coalition transferred a number of ISIL fighters detained in Ghweran Prison in al-Hasakah city to the US military base in the city of ash-Shaddadi.

In the northern countryside of al-Hasaka, on October 26, 2021, the so-called Syrian Democratic Forces (SDF) prevented 35 vehicles loaded with humanitarian aid and drinking water from entering al-Hol camp. SDF justified their prevention of allowing aid with claiming that ISIL families are being smuggled out of the camp. Previously, SDF had prohibited remittances to the camp under the pretext of preventing financing terrorism.
