

The NSS Reporting HF's continue to upload malnutrition indicators' data on tablets in all the (49 ) Health centers in ( 2 )Governorate ( 9 ) Districts) and (27) subdistrict , using ODK application. During the reporting period( 49 / 49 ) , 100% of the Reporting HF's across ( 2 ) Governorates provided surveillance data for NSS ,( 100% ) of reporting health facilities reported on time. The total number of detected malnourished cases is (416 ) out of (32587) , While (17986 ) ,55% of the measured children were under 2 years old.
