

The NSS Reporting HFs continue to upload malnutrition indicators' data on tablets in all the (49 ) Health centers in ( 2 )Governorate ( 9 ) Districts) and (27) subdistrict , using ODK application. During the reporting period( 49 / 49 ) , 100% of the Reporting HFs across ( 2 ) Governorates provided surveillance data for NSS ,( 100% ) of reporting health facilities reported on time. The total number of detected malnourished cases is (801 ) out of (36840) , While (21082 ) ,57% of the measured children were under 2 years old.
